

SKORIN VLADISLAV

JAVASCRIPT JUNIOR DEVELOPER / TRAINEE

PERSONAL INFO

Despite the fact I'm new in programming I'm really looking forward to grow and excel in software development. I don't have any experience in enterprise development, but I have a pet project, which can be seen with a help of the link below.
<https://github.com/Skorin-Vladislav/HR-department>
My english level is somewhere near B2.
I'm ambitious, friendly and punctual.
I don't have bad habits.
At my college I've gained experience of programming on C#, JavaScript and C++.
